

## INFORMATION CIRCULAR

AS AT JUNE 2, 2025

This Information Circular is furnished in connection with the solicitation of proxies by the Management of **FJORDLAND EXPLORATION INC.** (the "Company") for use at the Meeting of the shareholders of the Company (the "Shareholders"), to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. Except where otherwise indicated, the information contained herein is stated as of June 2, 2025.

In this Information Circular, references to the "Company", "we" and "our" refer to Fjordland Exploration Inc. "Common Shares" means common shares without par value in the capital of the Company. "Registered Shareholders" means shareholders whose names appear on the records of the Company as the registered holders of Common Shares. "Non-Registered Shareholders" means shareholders who do not hold Common Shares in their own name. "Intermediaries" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

### GENERAL PROXY INFORMATION

#### **Solicitation of Proxies**

THE ENCLOSED PROXY IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made, without special compensation, by regular officers and employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery. The Company is relying on the Notice-and-Access provisions of NI 54-101 to send proxy-related materials to Registered Shareholders or Non-Registered Shareholders in connection with the Meeting.

#### **Appointment and Revocation of Proxies**

The persons named in the accompanying form of Proxy (the "Proxy") are Directors or Officers of the Company. If you are a Registered Shareholder, you have the right to attend the meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy. Registered Shareholders electing to submit a Proxy may do so by:

- i) Completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax in North America at 1-866-249-7775, or by mail or hand delivery at 9<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, Canada;
- ii) Using a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number, the Registered Shareholder's account number and the Proxy Control Number; or

- iii) Using the internet through the website of Computershare at [www.investorvote.com](http://www.investorvote.com). Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed Proxy for the Registered Shareholder's account number and the Proxy Control Number.

In all cases you should ensure the Proxy is received at least 48 hours before the Meeting or the adjournment thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- i) executed by the Registered Shareholder or by his/her attorney authorized in writing or, where the Registered Shareholder is a company, by a duly authorized officer or attorney of the company; and
- ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof;

or in any other manner provided by law.

**Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.** If you are a Non-Registered Shareholder, see "Non-Registered Shareholders" below for further information on how to vote your Common Shares.

#### **Exercise of Discretion by Proxyholder**

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- i) each matter or group of matters identified therein for which a choice is not specified;
- ii) any amendment to or variation of any matter identified therein;
- iii) any other matter that properly comes before the Meeting; and
- iv) exercise of discretion of proxyholder.

#### **Non-Registered Shareholders**

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Non-Registered Shareholder's Intermediary or an agent of that Intermediary. In Canada, the majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co., as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company. If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting

instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and the United States.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Broadridge will name the same persons as the Company's Proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your intermediary, you, or a person designated by you (who need not be a Shareholder), may attend the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

**If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.**

#### **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

On **June 2, 2025**, 82,935,531 common shares without par value were issued and outstanding, each share carrying the right to one vote. At a General Meeting of the Company, on a show of hands, every Shareholder present in person shall have one vote and, on a poll, every Shareholder shall have one vote for each share of which he is the holder.

Only Shareholders of record on the close of business on **June 2, 2025** who either personally attend the Meeting or who complete and deliver a Proxy in the manner and subject to the provisions set out under the heading "General Proxy Information" will be entitled to have his or her shares voted at the Meeting or any adjournment thereof.

## **CORPORATE GOVERNANCE DISCLOSURE**

### **General**

A summary of the responsibilities and activities and the membership of each of the Committees is set out below. National Instrument 58-201 – Corporate Governance Guidelines establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the board of directors (the "**Board**") considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 – Disclosure of Corporate Governance Practices mandates disclosure of corporate governance practices, which disclosure is set out below.

#### **A. Independence of Members of the Board**

The Company's Board consists of four directors, of whom John Sheedy, Scott Broughton and Robert Cameron are independent based upon the tests for independence set forth in National Instrument 52-110 – Audit Committees ("**NI 52-110**"). James Tuer, President and CEO, is not considered independent.

#### **B. Management Supervision by the Board**

The size of the Company is such that all the Company's operations are conducted by a small management team which is also represented on the Board. The Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing the operations of the Company and have regular and full access to management. The independent directors are able to meet at any time without any members of management including the non-independent directors, being present. Further supervision is performed through the audit

committee which is composed of two independent directors who meet with the Company's auditors annually or as required throughout the fiscal year.

**C. Participation of Directors In Other Reporting Issuers**

The participation of the directors in other reporting issuers is described in the table provided under "Particulars of Matters to be Acted Upon – Elections of Directors" in this Information Circular.

**D. Orientation and Continuing Education**

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Board and committees;
2. access to recent, publicly filed documents of the Company; and
3. access to management.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

**E. Ethical Business Conduct**

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The Company has in place a Code of Business Conduct and Ethics, a Whistleblower Policy, and an Insider Trading Policy, attached hereto.

**F. Nomination of Directors**

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining exploration industry are consulted for possible candidates.

**G. Compensation**

Compensation paid to NEOs and directors is described in Items B and C of the section entitled "Statement of Executive Compensation".

**H. Board Committees**

In addition to the Audit Committee, and the Compensation Committee the Board has a Corporate Governance Committee consisting of John Sheedy, Scott Broughton and Robert Cameron. The Corporate Governance Committee reviews corporate policies and has incorporated a code of ethics and conduct for employees to ensure that high business standards are maintained and that the Company is compliant with regulatory requirements.

**I. Assessments**

The Board does not consider that formal assessments would be useful at this stage of the Company's development.

**AUDIT COMMITTEE DISCLOSURE**

NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The Company's audit committee is governed by an audit committee charter, the text of which is included in Schedule A attached hereto.

The Company's audit committee is comprised of three directors: John Sheedy, Robert Cameron and James Tuer. As defined in NI 52-110, John Sheedy and Robert Cameron are considered "independent" directors and are considered "financially literate"; James Tuer is not independent. The audit committee meets the requirements applicable to a "venture issuer" (as defined in National Instrument 51-102 – *Continuous Disclosure Obligations*).

The educational background or experience of the respective audit committee members that has enabled each to perform his responsibilities as an audit committee member and has provided the member with an understanding of the accounting principles used by the Company to prepare its financial statements, the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves as well as experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities and an understanding of internal controls and procedures for financial reporting is as follows:

**John Sheedy** has over 30 years of investment, transaction and corporate decision-making experience, most recently as Managing Director with the Ontario Teachers' Pension Plan (Teachers') where he spent 16 years as an investor in public markets and in private equity. He has sourced and led investment transactions in multiple sectors, including metals and mining, in Canada, the U.S. and Brazil. Before joining Teachers', John was a partner at a Toronto-based merchant banking fund and a partner at Torys LLP where he practiced corporate and securities law. He has served on the boards of several private and not-for-profit companies and holds the ICD.d designation from the Institute of Corporate Directors. John received a B.A. Hons (Economics) from the University of Western Ontario and an LL.B. from Queen's University.

**Robert Cameron** has over 30 years of international experience in the mining industry including positions as President and CEO of Valley High Ventures and Bearing Resources Ltd. as well as Vice-President and Manager of exploration for Phelps Dodge Corporation of Canada Limited (a then subsidiary of Freeport McMoRan Copper and Gold Inc.). Additionally Robert has extensive market and finance experience including a term as mining analyst for Research Capital. He is a member of the Association of Professional Engineers and Geoscientists of British Columbia.

**James Tuer** has over 30 years of experience in the finance and mining industry. He was the founding principal of Hudson Resources Inc., a Canadian-based mining and technology company focused on opportunities in Greenland. During Jamie's 19-year tenure as President, the company developed opportunities in diamonds, rare earths and industrial minerals. Among other things, these activities resulted in the discovery of the largest diamonds ever found in Greenland, the delineation of a significant rare earth 43-101 resource at Sarfartoq, and the development and construction of the 100% owned White Mountain anorthosite mine which is permitted for 50 years and is estimated to be able to sustain over 100 years of activity. Mr. Tuer is a double graduate of Queens University with a Bachelor of Science with Honours, Mechanical Engineering and a Master of Business Administration.

Since the commencement of the Company's most recently completed financial year, the Company's Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110 or an exemption from NI 52-110 in whole or in part, granted under Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has specific policies and procedures for the engagement of non-audit services, as described in its audit committee charter.

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

<b>Financial Year Ending</b>	<b>Audit Fees</b>	<b>Audit Related Fees</b>	<b>Tax Fees</b>	<b>All Other Fees</b>
December 31, 2023	\$27,000	\$Nil	\$1,366.47	\$329.40
December 31, 2024	\$27,000	\$Nil	\$8,250	\$Nil

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

## EQUITY INCENTIVE PLAN

The TSXV requires that the Company's shareholders approve the Company's equity incentive plan on an annual basis. The 2025 Equity Incentive Plan, attached to this Circular as Schedule B, is materially the same as the Plan which was approved at last year's annual general meeting of Shareholders. Accordingly, Shareholders will be asked at the Meeting to pass an ordinary resolution substantially as set out below:

"BE IT RESOLVED THAT:

1. The Company's 2025 Equity Incentive Plan, attached as Schedule B to the Company's management information circular dated June 2, 2025, is approved.
2. Any director or officer of the Company is hereby authorized and directed, acting for, in the name of and on behalf of the Company, to execute or cause to be executed, under the seal of the Company or otherwise, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such other acts and things, as may in the opinion of such director or officer of the Company be necessary or desirable to carry out the intent of the foregoing resolutions."

The form of the resolutions set forth above is subject to such amendments as management may propose at the Meeting but which do not materially affect the substance of such resolutions.

The Board considers that the ability to grant incentives is an important component of its compensation strategy and is necessary to enable the Company to attract and retain qualified directors, officers, employees and consultants. **The Board therefore recommends that Shareholders vote "For" the resolutions approving the proposed 2025 Equity Incentive Plan.** Unless otherwise instructed, the persons named in the enclosed form of Proxy will vote "IN FAVOUR" of the above resolutions.

***The persons named as proxies in the enclosed form of proxy intend to cast the votes represented by proxy in favour of the foregoing resolution unless the holder of Common Shares who has given such proxy has directed that the votes be otherwise cast.***

## OTHER MATTERS

## **SCHEDULE A**

### **FJORDLAND EXPLORATION INC. CORPORATE GOVERNANCE POLICIES**

- 1. Code of Business Conduct and Ethics**
- 2. Committee Charters**
  - a. Audit Committee**
  - b. Whistleblower Policy**

## **CODE OF BUSINESS CONDUCT AND ETHICS**

### **I. INTRODUCTION**

We require high standards of professional and ethical conduct from our employees. Our reputation with our shareholders and prospective investors for honesty and integrity is key to the success of our business. No employee, contractor, or consultant will be permitted to achieve results through violations of laws or regulations, or through unscrupulous dealings.

We intend that the Company's business practices will be compatible with the economic and social priorities of each location in which we operate. Although customs vary by country and standards of ethics may vary in different business environments, honesty and integrity must always characterize our business activity. If a law conflicts with a policy in this Code, you must comply with the law; however, if a local custom or policy conflicts with this Code, you must comply with the Code. If you have any questions about these conflicts, you should ask your supervisor how to handle the situation.

This Code reflects our commitment to a culture of honesty, integrity and accountability and outlines the basic principles and policies with which all employees, contractors, and consultants are expected to comply. Please read this Code carefully.

In addition to following this Code in all aspects of your business activities, you are expected to seek guidance in any case where there is a question about compliance with both the letter and the spirit of our policies and applicable laws. This Code covers a wide range of business practices and procedures. It does not cover every issue that may arise, but it sets out basic principles to guide all employees, contractors, and consultants of the Company. This Code does not supersede the specific policies and procedures that are covered in the Company's operating manuals or in separate specific policy statements. References in this Code to the "Company" means the Company or any of its subsidiaries. Reference to "employees" includes officers, contractors, independent accounting contractors, and consultants.

Those who violate the standards set forth in this Code will be subject to disciplinary action up to and including dismissal. *If you are in a situation that you believe may violate or lead to a violation of this Code, follow the guidelines described in Section XVII below.*

Your cooperation is necessary to the continued success of our business and the cultivation and maintenance of our reputation as a good corporate citizen.

### **II. COMPLIANCE WITH LAWS, RULES AND REGULATIONS**

Compliance with the letter and spirit of all laws, rules and regulations applicable to our business is critical to our reputation and continued success. All employees must respect and obey the laws of the cities, provinces, states and countries in which we operate and avoid even the appearance of impropriety. Not all employees are expected to know the details of these laws, but it is important to know enough to determine when to seek advice from supervisors, managers or other appropriate personnel. The Company holds information and training sessions to promote compliance with laws, rules and regulations, including insider trading laws.

### **III. CONFLICTS OF INTEREST**

A conflict of interest occurs when an individual's private interest interferes, or appears to interfere, in any way with the interests of the Company. A conflict situation can arise when an employee or director takes actions or has interests that may make it difficult to perform his or her work for the Company objectively and effectively. Conflicts of interest also arise when an employee or director, or a member of his or her family, receives improper personal benefits as a result of his or her position in the Company. Loans to, or guarantees of obligations of, such persons are likely to pose conflicts of interest, as are transactions of any kind between the Company and any other organization in which you or any member of your family have an interest.

It may be perceived as a conflict of interest for an employee to work simultaneously for a competitor, customer or supplier. Therefore, working for a competitor, as a consultant or director, is discouraged by the Company. The best policy is to avoid any direct or indirect business connection with our customers, suppliers or competitors,

except on behalf of the Company. However, should you find yourself in a situation as such, you are expected to disclose the potential conflict of interest to both the Company, and the other party.

Activities that could give rise to conflicts of interest are prohibited unless specifically approved by the Board of Directors or the Audit Committee. It is not always easy to determine whether a conflict of interest exists, so any potential conflicts of interests should be reported immediately to senior management or the Company's general legal counsel.

Given that the Directors are engaged in a wide range of activities, each Director or officer is required to disclose to the Company any interest in a material contract or transaction or proposed material contract or transaction with the Company or the fact that such person is a director or officer of, or otherwise has a material interest in, any person who is a party to a material contract or transaction or proposed material contract or transaction with the Company. Such disclosure is required to be made at the first meeting at which a proposed contract or transaction is considered. In any case, a Director who has made disclosure to the foregoing effect is not entitled to vote on any resolution to approve the contract or transaction unless the contract or transaction is one relating primarily to his remuneration as a Trustee, one for indemnity under the Declaration of Trust or one for insurance

#### **IV. CORPORATE OPPORTUNITIES**

Employees and directors are prohibited from taking for themselves personally opportunities that arise through the use of corporate property, information or position and from using corporate property, information or position for personal gain. Employees and directors are also prohibited from competing with the Company directly or indirectly. Employees and directors owe a duty to the Company to advance the legitimate interests of the Company when the opportunity to do so arises.

#### **V. CONFIDENTIALITY**

Employees must maintain the confidentiality of information entrusted to them by the Company or that otherwise comes into their possession in the course of their employment, except when disclosure is authorized or legally mandated. Employees are required to execute a confidentiality agreement upon employment and from time to time during the course of employment. The obligation to preserve confidential information continues even after you leave the Company.

Confidential information includes all non-public information that may be of use to competitors, or harmful to the Company or its customers, if disclosed. It also includes information that suppliers and customers have entrusted to us.

#### **VI. PROTECTION AND PROPER USE OF COMPANY ASSETS**

All employees should endeavour to protect the Company's assets and ensure their efficient use. Theft, carelessness and waste have a direct impact on the Company's profitability. Any suspected incidents of fraud or theft should be immediately reported for investigation.

Company assets, such as equipment, funds or computers, may only be used for legitimate business purposes or other purposes approved by management. Company assets may never be used for illegal purposes.

The obligation to protect Company assets includes proprietary information. Proprietary information includes any information that is not generally known to the public or would be helpful to our competitors. Examples of proprietary information include intellectual property, such as trade secrets, patents, trademarks and copyrights, as well as business, marketing and service plans, proprietary geological concepts, engineering and manufacturing ideas, designs, contact lists, databases, records, salary information and any unpublished geological, geophysical, geochemical, financial data or reports. Unauthorized use or distribution of this information is a violation of Company policy. It may also be illegal and may result in civil and criminal penalties. The obligation to preserve proprietary information continues even after you leave the Company.

## **VII. INSIDER TRADING**

Employees who have access to confidential information are not permitted to use or share that information for stock trading purposes or for any other purpose except the conduct of the business of the Company. All material undisclosed information about the Company should be considered confidential. To use material undisclosed information for personal financial benefit or to “tip” others who might make an investment decision on the basis of this information, is not only unethical, but also illegal. Further reference can be made to the [TSX Venture Exchange Policy 3.1, Section 5.

## **VIII. FAIR DEALING**

We seek to outperform our competition fairly and honestly and to acquire, explore and develop mineral projects in a fair and honest manner. We seek competitive advantages through superior performance, never through unethical or illegal business practices. Stealing proprietary information, possessing trade secret information obtained without the owner’s consent or inducing the disclosures of proprietary information or trade secrets by past or present employees of other companies is prohibited. Each employee should endeavor to deal fairly with the Company’s business associates, option partners, joint venture partners, suppliers, competitors and employees. No employee should take unfair advantage of anyone through illegal conduct, manipulation, concealment, abuse of privileged information, misrepresentation of material facts or any other unfair-dealing practice.

## **IX. DISCRIMINATION AND HARASSMENT**

We value the diversity of our employees and are committed to providing equal opportunity in all aspects of employment. Abusive, harassing or offensive conduct is unacceptable, whether verbal, physical or visual. Examples include derogatory comments based on racial or ethnic characteristics and unwelcome sexual advances. Employees are encouraged to speak out when a co-worker’s conduct makes them uncomfortable, and to report harassment when it occurs.

## **X. SAFETY AND HEALTH**

We are all responsible for maintaining a safe and healthy workplace by following safety and health rules and practices, and more specifically detailed in the Company’s Safety Manual/Field Guide and Fuel Spill Contingency Plan. The Company is committed to keeping its workplaces and project areas free from hazards. Please report any accidents, injuries, unsafe equipment, practices or conditions immediately to a supervisor or other designated person. Threats or acts of violence or physical intimidation are prohibited.

In order to protect the safety of all employees, employees must report to work in condition to perform their duties and free from the influence of any substance that could prevent them from conducting work activities safely and effectively. The use of alcohol or illegal drugs in the workplace is prohibited. Likewise, employees are prohibited from being under the influence of alcohol or illegal drugs during the course of their duties.

## **XI. RECORDKEEPING**

Honest and accurate recording and reporting of information is critical to our financial reporting and our ability to make responsible business decisions. The Company’s accounting records are relied upon to produce reports for the Company’s management, shareholders, creditors, governmental agencies and others. Our financial statements and the books and records on which they are based must truthfully and accurately reflect all corporate transactions and conform to all legal and accounting requirements and our system of internal controls.

All employees have a responsibility to ensure that the Company’s records, including accounting records, do not contain any false or intentionally misleading entries. We do not permit intentional misclassification of transactions as to accounts, departments or accounting periods. All transactions must be supported by accurate documentation in reasonable detail and recorded in the proper account and in the proper accounting period.

All Company books, records, accounts and financial statements must be maintained in reasonable detail, must appropriately reflect Company transactions and must conform to both applicable legal requirements and the system of internal controls of the Company. Unrecorded or “off the books” funds or assets should not be maintained unless permitted by applicable law or regulation.

Business records and communications may become public through legal or regulatory investigations or the media. Exaggeration, derogatory remarks, legal conclusions or inappropriate characterizations of people and companies must be avoided. This applies to communications of all kinds, including email and informal notes or interoffice memos. Records should be retained and destroyed in accordance with the Company's records retention policy.

## **XII. USE OF E-MAIL AND INTERNET SERVICES**

E-Mail systems and Internet services are provided to help us do work. Incidental and occasional personal use is permitted, but never for personal gain or any improper purpose. You may not access, send or download any information that could be insulting or offensive to another person, such as sexually explicit material or jokes, unwelcome propositions, ethnic or racial slurs, or any other message that could be viewed as harassment. Also remember that "flooding" our systems with junk mail and trivia hampers the ability of our systems to handle legitimate Company business and is prohibited.

Employees should not download copyrighted materials, should not copy material that is not licensed to the Company and should follow the terms of a licence when using material that is licensed to the Company. No changes should be made to licensed materials without the prior consent of the Company. In addition, employees are prohibited from downloading games and screensavers as these are common sources of viruses.

Your messages (including voice mail) and computer information are considered the Company's property and you should not have any expectation of privacy. Unless prohibited by law, the Company reserves the right to access and disclose this information as necessary for business purposes. Use good judgment, and do not access, send messages or store any information that you would not want to be seen or heard by other individuals.

## **XIII. POLITICAL ACTIVITIES AND CONTRIBUTIONS**

We respect and support the right of our employees to participate in political activities. However, these activities should not be conducted on Company time or involve the use of any Company resources such as telephones, computers or supplies. Employees will not be reimbursed for personal political contributions.

We may occasionally express our views on local and national issues that affect our operations. In such cases, Company funds and resources may be used, but only when permitted by law and by our strict guidelines. The Company may also make limited contributions to political parties or candidates in jurisdictions where it is legal and customary to do so. No employee may make or commit to political contributions on behalf of the Company without the approval of the Board of Directors.

## **XIV. GIFTS AND ENTERTAINMENT**

Business gifts and entertainment are customary courtesies designed to build goodwill among business partners. These courtesies include such things as meals and beverages, tickets to sporting or cultural events, discounts not available to the general public, travel, accommodation and other merchandise or services. In some cultures they play an important role in business relationships. However, a problem may arise when such courtesies compromise — or appear to compromise — our ability to make objective and fair business decisions.

Offering or receiving any gift, gratuity or entertainment that might be perceived to unfairly influence a business relationship should be avoided. These guidelines apply at all times, and do not change during traditional gift-giving seasons. No gift or entertainment should ever be offered, given, provided or accepted by any director or employee of the Company, or by any family member of a director or employee, unless it:

- (a) is not a cash gift;
- (b) is consistent with customary business practices;
- (c) is not excessive in value;
- (d) cannot be construed as a bribe or payoff; and
- (e) does not violate any applicable laws or regulations.

Please discuss with your supervisor any gifts or proposed gifts if you are uncertain whether they are appropriate.

## **XV. WAIVERS OF THIS CODE OF BUSINESS CONDUCT AND ETHICS**

Any waiver of this Code with respect to a director or officer of the Company may be made only by the Board of Directors or the Audit Committee. Any such waiver will be promptly disclosed to the extent required by applicable law or stock exchange regulation.

## **XVI. REPORTING OF ANY ILLEGAL OR UNETHICAL BEHAVIOR**

We have a strong commitment to conduct our business in a lawful and ethical manner. Employees are encouraged to talk to supervisors, managers or other appropriate personnel when in doubt about the best course of action in a particular situation and to report violations of laws, rules, regulations or this Code. We prohibit retaliatory action against any employee who, in good faith, reports a possible violation. It is unacceptable to file a report knowing it to be false.

## **XVII. COMPLIANCE PROCEDURES**

This Code cannot, and is not intended to, address all of the situations you may encounter. There will be occasions where you are confronted by circumstances not covered by policy or procedure and where you must make a judgment as to the appropriate course of action.

Since we cannot anticipate every situation that may arise, it is important for the Company to set forth a general way to approach a new question or problem. These are the steps to keep in mind:

- *Make sure you have all of the facts.* In order to reach the right solutions, you must be as fully informed as possible.
- *Ask yourself what you are specifically being asked to do.* This analysis will enable you to focus on the specific issues that are raised and the available alternatives. Use your judgment and common sense. If something seems unethical or improper, it probably is.
- *Clarify your responsibility and role.* In most situations, there is shared responsibility. Are your colleagues informed? It may help to get others involved and to discuss the problem.
- *Discuss the problem with your supervisor.* This approach is best in most if not all situations. Your supervisor may be more knowledgeable about the issue and will appreciate being brought into the process. It is a supervisor's responsibility to help you to solve problems.
- *Seek help from Company resources.* In the rare instance in which it may not be appropriate to discuss an issue with your supervisor, or in which you feel uncomfortable approaching your supervisor, discuss the problem with the Company's general legal counsel. If you prefer to write, address your concerns to the Company's general legal counsel or the President.
- *You may report ethical violations in confidence and without fear of retaliation.* If your situation requires that your identity be kept secret, the Company will protect your anonymity. The Company does not permit retaliation of any kind against employees for good faith reports of ethical violations.
- *Ask first.* If you are unsure of the proper course of action, seek guidance before you act.

## **AUDIT COMMITTEE CHARTER**

### **PURPOSE OF THE COMMITTEE**

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Fjordland Exploration Inc. (the “Company”) is to provide an open avenue of communication between management, the Company’s independent auditor and the Board and to assist the Board in its oversight of:

- the integrity, adequacy and timeliness of the Company’s financial reporting and disclosure practices;
- the Company’s compliance with legal and regulatory requirements related to financial reporting; and
- the independence and performance of the Company’s independent auditor.

The Committee shall also perform any other activities consistent with this Charter, the Company’s articles and governing laws as the Committee or Board deems necessary or appropriate.

The Committee shall consist of at least three directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. The members of the Committee shall elect a Chairman from among their number. A majority of the members of the Committee must not be officers or employees of the Company or of an affiliate of the Company. The quorum for a meeting of the Committee is a majority of the members who are not officers or employees of the Company or of an affiliate of the Company. With the exception of the foregoing quorum requirement, the Committee may determine its own procedures.

The Committee’s role is one of oversight. Management is responsible for preparing the Company’s financial statements and other financial information and for the fair presentation of the information set forth in the financial statements in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”) and Interpretations issued by the International Financial Reporting Interpretations Committee (“IFRIC”). Management is also responsible for establishing internal controls and procedures and for maintaining the appropriate accounting and financial reporting principles and policies designed to assure compliance with accounting standards and all applicable laws and regulations.

The independent auditor’s responsibility is to audit the Company’s financial statements and provide its opinion, based on its audit conducted in accordance with generally accepted auditing standards, that the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in accordance with IFRS.

The Committee is responsible for recommending to the Board the independent auditor to be nominated for the purpose of auditing the Company’s financial statements, preparing or issuing an auditor’s report or performing other audit, review or attest services for the Company, and for reviewing and recommending the compensation of the independent auditor. The Committee is also directly responsible for the evaluation of and oversight of the work of the independent auditor. The independent auditor shall report directly to the Committee.

### **AUTHORITY AND RESPONSIBILITIES**

In addition to the foregoing, in performing its oversight responsibilities the Committee shall:

1. Monitor the adequacy of this Charter and recommend any proposed changes to the Board.
2. Review the appointments of the Company’s Chief Financial Officer and any other key financial executives involved in the financial reporting process.
3. Review with management and the independent auditor the adequacy and effectiveness of the Company’s accounting and financial controls and the adequacy and timeliness of its financial reporting processes.
4. Review with management and the independent auditor the annual financial statements and related documents and review with management the unaudited quarterly financial statements and related documents, prior to filing or distribution, including matters required to be reviewed under applicable legal or regulatory requirements.
5. Where appropriate and prior to release, review with management any news releases that disclose annual or interim financial results or contain other significant financial information that has not previously been released to the public.

6. Review the Company's financial reporting and accounting standards and principles and significant changes in such standards or principles or in their application, including key accounting decisions affecting the financial statements, alternatives thereto and the rationale for decisions made.
7. Review the quality and appropriateness of the accounting policies and the clarity of financial information and disclosure practices adopted by the Company, including consideration of the independent auditor's judgment about the quality and appropriateness of the Company's accounting policies. This review may include discussions with the independent auditor without the presence of management.
8. Review with management and the independent auditor significant related party transactions and potential conflicts of interest.
9. Pre-approve all non-audit services to be provided to the Company by the independent auditor.
10. Monitor the independence of the independent auditor by reviewing all relationships between the independent auditor and the Company and all non-audit work performed for the Company by the independent auditor.
11. Establish and review the Company's procedures for the:
  - receipt, retention and treatment of complaints regarding accounting, financial disclosure, internal controls or auditing matters; and
  - confidential, anonymous submission by employees regarding questionable accounting, auditing and financial reporting and disclosure matters.
12. Conduct or authorize investigations into any matters that the Committee believes is within the scope of its responsibilities. The Committee has the authority to retain independent counsel, accountants or other advisors to assist it, as it considers necessary, to carry out its duties, and to set and pay the compensation of such advisors at the expense of the Company.
13. Perform such other functions and exercise such other powers as are prescribed from time to time for the audit committee of a reporting company in Parts 2 and 4 of National Instrument 52-110 of the Canadian Securities Administrators, the *Business Corporations Act* (British Columbia) and the articles of the Company.

## **WHISTLEBLOWER POLICY**

### **General**

Fjordland Exploration Inc. (the "Company") requires its directors, officers and employees to observe high standards of professionalism and ethical conduct in maintaining the financial records of the Company. Pursuant to its Charter, the Audit Committee of the Board of Directors of the Company is responsible for reviewing (on a confidential basis if necessary) all complaints or submissions received from employees of the Company regarding accounting or auditing matters concerning the Company. In order to carry out its responsibilities under its Charter, the Audit Committee has adopted this Whistleblower Policy (the "Policy").

For the purposes of this Policy, all accounting or auditing matters which are the subject of a complaint or submission are referred to as an "Accounting Irregularity".

### **No Retaliation**

No officer or employee who in good faith reports an Accounting Irregularity shall suffer harassment, retaliation or adverse employment consequence. An officer or employee who retaliates against someone who has reported an Accounting Irregularity in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within the Company rather than seeking resolution outside the Company.

### **Reporting Violations**

It is the responsibility of all directors, officers and employees to report all suspected Accounting Irregularities in accordance with this Whistleblower Policy. The Company maintains an open door policy and suggests that

employees share their questions, concerns, suggestions or complaints with someone who can address them properly. In most cases, an employee's supervisor is in the best position to address an area of concern. An employee's supervisor may be more knowledgeable about the issue and will appreciate being brought into the process. It is the supervisor's responsibility to help you to solve the problem.

However, if you are not comfortable speaking with your supervisor or you are not satisfied with your supervisor's response, you are encouraged to speak with anyone in management whom you are comfortable in approaching. Supervisors and managers are required to report suspected Accounting Irregularities to the Company's Whistleblower, Peter Krag-Hansen, or to any member of the Audit Committee. Mr. Krag-Hansen's direct telephone line is (604) 657-2997. The Audit Committee has specific and exclusive responsibility to investigate all reported violations. For suspected fraud or securities law violations, or when you are not satisfied or uncomfortable with following the Company's open door policy, individuals should contact the Chairman of the Company or any member of the Company's Audit Committee directly. All complaints will be reported to the Audit Committee within five days of receipt.

### **Investigations of Complaints**

The Company's Audit Committee is responsible for investigating and resolving all reported complaints and allegations concerning Accounting Irregularities. The Audit Committee may retain independent legal counsel, accountants or others to assist in its investigations.

### **Accounting and Auditing Matters**

Pursuant to its Charter, the Audit Committee is responsible for addressing all reported concerns or complaints regarding corporate accounting practices, internal controls or auditing. The President is required to immediately notify the Audit Committee of any complaint of which he or she is aware and to work with the Committee until the matter is resolved.

### **Acting in Good Faith**

Anyone filing a complaint concerning a suspected Accounting Irregularity must be acting in good faith and have reasonable grounds for believing the information disclosed indicates an Accounting Irregularity. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

### **Confidentiality**

Complaints or submissions concerning a suspected Accounting Irregularity may be submitted on a confidential basis by the complainant or may be submitted anonymously. All complaints or submissions will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

### **Handling of Reported Violations**

The Chair of the Audit Committee will notify the sender and acknowledge receipt of the reported suspected Accounting Irregularity within five business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

The Company shall retain records of complaints for a period of no less than seven years as a separate part of the records of the Audit Committee.

### **Privacy Violations**

In addition to these rules regarding accounting, internal accounting controls and auditing matters, recent privacy legislation, the *Personal Information Protection and Electronic Documents Act* (Canada) ("*PIPEDA*") and the *Personal Information Protection Act* (British Columbia) ("*PIPA*"), provide that any person who has reasonable grounds to believe that there has been a contravention of either of *PIPEDA* or *PIPA* may notify the relevant Privacy Commissioner.

An organization must not dismiss, suspend, discipline, harass or otherwise disadvantage an employee or deny an employee a benefit because the employee, acting in good faith and on the basis of reasonable belief, has disclosed to the Privacy Commissioner that the organization has contravened or is about to contravene either of *PIPEDA* or *PIPA*. Members of the public may lodge anonymous complaints to avoid the possibility of retaliation.

## PART 2 PURPOSE

### 2.1 Establishment of the Plan

The Corporation hereby establishes the Plan to govern the grant, administration and exercise of security based compensation which may be granted to eligible Participants. The maximum number of Shares issuable under the Plan shall not exceed 10% of the number of Issued Shares as of the date of each grant hereunder, inclusive of all Shares then reserved for issuance pursuant to previously granted stock options or security based compensation plans.

### 2.2 Principal Purposes

The principal purposes of the Plan are to provide the Corporation with the advantages of the incentive inherent in share ownership on the part of Directors, Officers, Employees and Consultants responsible for the continued success of the Corporation; to create in such individuals a proprietary interest in, and a greater concern for, the welfare and success of the Corporation; to encourage such individuals to remain with the Corporation; and to attract new Directors, Officers, Employees and Consultants to the Corporation.

### 2.3 Available Awards

Awards that may be granted under the Plan include Options, Deferred Share Units, Restricted Share Units, Performance Share Units, Share Appreciation Rights and Stock Purchase Rights.

## PART 3 STOCK OPTIONS

### 3.1 Participation

The Corporation may from time to time grant Stock Options pursuant to and in accordance with the Plan.

### 3.2 Price

The exercise price per Share of any Stock Option shall be not less than the Discounted Market Price. If the Corporation does not issue a news release to announce the grant and the exercise price of a Stock Option, the Discounted Market Price will be the last closing price of the Corporation’s Shares before the date of grant of the Stock Option less the applicable allowable discount. The exercise price cannot be established unless the Stock Options are allocated to one or more particular Participants.

### 3.3 Grant of Options

The Board may at any time authorize the granting of Options to such Directors, Officers, Employees, Management Company Employees, Consultants, Consultant Companies, and/or Eligible Charitable Organizations as it may select for the number of Shares that it shall designate, subject to the provisions of the Plan. The date of grant of an Option

shall be the date such grant was approved by the Board. The grant of an Option to, and acceptance of the Option by, an Employee, Management Company Employee or Consultant will be confirmation by the Corporation and the Participant that the Participant is a bona fide Employee, Management Company Employee or Consultant (as the case may be).

Each Option granted to a Participant shall be evidenced by a Stock Option Agreement with terms and conditions consistent with the Plan and as approved by the Board (and in all cases which terms and conditions need not be the same in each case, and may be changed from time to time subject to any required approval of Disinterested Shareholders and the Exchange).

### 3.4 Terms of Options

The Option Period shall be for such term as the Board may determine at the date of grant, provided that:

- (a) Stock Options can be exercisable for a maximum of 10 years from the date of grant (subject to extension where the expiry date falls within a Blackout Period);
- (b) the term may thereafter be reduced with respect to any such Option as provided for herein regarding termination of employment/engagement or death of the Optionee; and
- (c) should the expiry date of the Option Period in respect of any outstanding Option occur during a Blackout Period, the expiry date of such Option Period shall be deemed to be the date that is the tenth business day following the expiry of the Blackout Period provided that the automatic extension of an Option will not be permitted where the Participant or the Corporation is subject to a cease trade order (or similar order under Applicable Laws) in respect of the Corporation's securities.

### 3.5 Vesting

Unless otherwise determined by the Board at the time of grant, Options shall vest and may be exercised (in each case to the nearest full Share) during the Option Period as follows:

- (a) no more than 1/4 of the Stock Options vest no sooner than three months after the Stock Options were granted;
- (b) no more than another 1/4 of the Stock Options vest no sooner than six months after the Stock Options were granted;
- (c) no more than another 1/4 of the Stock Options vest no sooner than nine months after the Stock Options were granted; and
- (d) the remainder of the Stock Options vest no sooner than 12 months after the Stock Options were granted.

### 3.6 Other Restrictions

The exercise of any Option will be contingent upon the Optionee having entered into a Stock Option Agreement with the Corporation on such terms and conditions as have been approved by the Board and which incorporates by reference the terms of the Plan. The exercise of any Option will, subject to sections 3.8 and 3.9 of the Plan, also be contingent upon receipt by the Corporation of cash payment of the full purchase price of the Shares being purchased.

### 3.7 Exercise of Options

Subject to section 3.10 of the Plan, and subject to any limitations or conditions imposed upon an Optionee pursuant to the Stock Option Agreement or the Plan, an Optionee may exercise an Option, prior to the expiry date thereof, by giving written notice thereof to the Corporation at its principal place of business or as otherwise indicated by the Corporation in writing. Subject to sections 3.8, and 3.9 of the Plan, the said notice shall be accompanied by full payment of the Option Price to the extent the Option is so exercised, and full payment of any amounts the Corporation determines must be withheld for tax purposes from the Optionee pursuant to the Stock Option Agreement. Such payment shall be in lawful money in the currency as stated in the Stock Option Agreement (or, if not so stated, in Canadian dollars), in cash or by wire transfer or certified cheque. As soon as practicable after exercise of an Option in accordance herewith, the Corporation shall issue a certificate or DRS statement evidencing

the Shares with respect to which the Option has been exercised. Upon due exercise of an Option, the Optionee shall be entitled to all rights to vote or receive dividends or any other rights as a shareholder with respect to such Shares.

### 3.8 Net Exercise Right

Subject to the final paragraph of this section 3.8, Participants, other than Investor Relations Service Providers, have the right to request in writing delivered to the Corporation (the “**Net Exercise Right**”) the termination of an Option, in whole or in part, and, in lieu of receiving the Shares (the “**Option Shares**”) to which such terminated Option relates, to receive the number of Shares, disregarding fractions, which is equal to the quotient obtained by:

- (a) subtracting the applicable Option exercise price per Share from the VWAP per Share on the business day immediately prior to the exercise of the Net Exercise Right and multiplying the remainder by the number of Option Shares; and
- (b) dividing the product obtained under section 3.8(a) of the Plan by the VWAP per Share on the business day immediately prior to the exercise of the Net Exercise Right.

A Net Exercise Right is exercisable only to the extent and on the same conditions that the related Option is exercisable under the Plan.

Exercise of an Option by use of the Net Exercise Right, in each instance, is conditional upon consent of the Corporation, and the Board will not be obliged to allow for use of the Net Exercise Right or to provide reasons for not allowing use thereof.

### 3.9 Cashless Exercise Right

Subject to the final paragraph of this section 3.9, Participants have the right (the “**Cashless Exercise Right**”), by notice in writing delivered by the Participant to the Corporation, to elect to exercise the Cashless Exercise Right in connection with the exercise of Options and thereupon the brokerage firm with which the Corporation has an arrangement will (i) loan the applicable sum of money to the Participant in order to purchase the Shares underlying the Options being exercised (such funds being delivered by the brokerage firm to the Corporation), and (ii) sell a sufficient number of the Shares issued upon exercise of the Options in order to repay its loan made to the Participant (which Shares shall be delivered by the Corporation to the brokerage firm). The Corporation will, as soon as practicable thereafter, deliver to the Participant the balance, if any, of the Shares relating to the exercised Options.

If a Participant exercises a Cash Exercise Right in connection with an Option, it is exercisable only to the extent and on the same conditions that the related Option is exercisable under the Plan.

Exercise of an Option by use of the Cashless Exercise Right, in each instance, is conditional upon consent of the Corporation, and the Board will not be obliged to allow for use of the Cashless Exercise Right or to provide reasons for not allowing use thereof.

### 3.10 Effect of Termination of Employment or Death

If an Optionee:

- (a) dies while employed or engaged by, or while a director of, the Corporation or a Designated Affiliate, any Option held by him or her at the date of death which is then eligible to be exercised shall become exercisable in whole or in part, but only by the person or persons to whom the Optionee’s rights under the Option shall pass by the Optionee’s will or applicable laws of descent and distribution. Unless otherwise determined by the Board, all such Options shall be exercisable only to the extent that the Optionee was entitled to exercise the Option at the date of his or her death and only for 12 months after the date of death or prior to the expiration of the Option Period in respect thereof, whichever is sooner;
- (b) ceases to be employed or engaged by, or a director of, the Corporation or a Designated Affiliate, for cause, no Option held by such Optionee will, unless otherwise determined by the Board, be exercisable following the date on which such Optionee ceases to be so engaged; or

- (c) ceases to be employed or engaged by, or a director of, the Corporation or a Designated Affiliate, for any reason other than cause then, unless otherwise determined by the Board, any Option held by such Optionee which was then eligible to be exercised at the effective date thereof shall become exercisable for a period of 90 days thereafter or prior to the expiration of the Option Period in respect thereof, whichever is sooner.

### 3.11 Effect of Amalgamation or Merger

If the Corporation amalgamates or otherwise completes a plan of arrangement or merges with or into another corporation, any Shares receivable on the exercise of an Option shall be adjusted, subject to receipt of any required Exchange approval, to give the Participant the ability to acquire, upon exercise of the Option, including payment, the securities, property or cash which the Participant would have received upon such amalgamation, arrangement or merger if the Participant had exercised the Option immediately prior to the record date applicable to such amalgamation, arrangement or merger, and the option price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan. No acceleration of the vesting provisions of Stock Options granted to Investor Relations Service Providers is permitted without prior Exchange acceptance.

### 3.12 Amendments

Disinterested Shareholder approval must be obtained for any reduction in the exercise price of a Stock Option, or the extension of the term of a Stock Option, if the Participant is an Insider of the Corporation at the time of the proposed amendment.

## PART 4 RESTRICTED SHARE RIGHTS

### 4.1 Participants

The Corporation has the right to grant, in its sole and absolute discretion, to any Participant, rights to receive any number of fully paid and non-assessable Shares (“**Restricted Share Units**”) as a discretionary payment in consideration of past services to the Corporation or as an incentive for future services, subject to the Plan and with such additional provisions and restrictions as the Board may determine. For purposes of calculating the number of Restricted Share Units to be granted, the Corporation shall be obligated to value the Shares underlying such RSUs at not less than the Fair Market Value. The grant of a RSU to, and acceptance of the RSU by, an Employee, Management Company Employee or Consultant will be confirmation by the Corporation and the Participant that the Participant is a bona fide Employee, Management Company Employee or Consultant (as the case may be).

### 4.2 RSU Agreement

Each grant of a RSU under the Plan shall be evidenced by a RSU Agreement between the Participant and the Corporation. Such RSU Agreement shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with the Plan and which the Board deems appropriate for inclusion in a RSU Agreement. The provisions of the various RSU Agreements issued under the Plan need not be identical.

### 4.3 Restricted Period

Concurrent with the determination to grant RSUs to a Participant, the Board shall determine the Restricted Period applicable to such RSUs, which in any event will not be less than 12 months. In addition, at the sole discretion of the Board, at the time of grant, the RSUs may be subject to performance conditions to be achieved by the Corporation or a class of Participants or by a particular Participant on an individual basis, within a Restricted Period, for such RSUs to entitle the holder thereof to receive the underlying Shares. Upon expiry of the applicable Restricted Period (or on the Deferred Payment Date, as applicable) and upon satisfaction of any performance criteria or other terms set out in the RSU Agreement, a RSU shall be automatically settled, and without the payment of additional consideration or any other further action on the part of the holder of the RSU, the underlying Shares shall be issued to the holder of such RSUs, which RSUs shall then be cancelled.

### 4.4 Deferred Payment Date

Participants who are residents of Canada for the purposes of the Tax Act (and for greater certainty, who are not U.S. Taxpayers), may elect to defer to receive all or any part of the Shares underlying Restricted Share Units until one or more Deferred Payment Dates. No other Participants may elect a Deferred Payment Date. Participants who elect to

set a Deferred Payment Date must, in respect of each such Deferred Payment Date, give the Corporation written notice of the Deferred Payment Date(s) not later than 30 days prior to the expiration of the applicable Restricted Period (or such lesser period of time as the Board may approve).

#### **4.5 Retirement or Termination during Restricted Period**

In the event and to the extent of the Retirement or Termination and/or, as applicable, the Director Retirement or Director Termination of a Participant from all such roles with the Corporation during the Restricted Period, any Restricted Share Units held by the Participant shall immediately terminate and be of no further force or effect; provided, however, that the Board shall have the absolute discretion to modify the grant of the Restricted Share Units to provide that the Restricted Period shall terminate immediately prior to the date of such occurrence.

#### **4.6 Retirement or Termination after Restricted Period**

In the event and to the extent of the Retirement or Termination and/or, as applicable, the Director Retirement or Director Termination of the Participant from all such roles with the Corporation following the Restricted Period and prior to a Deferred Payment Date, the Participant shall be entitled to receive, and the Corporation shall issue forthwith, Shares in satisfaction of the Restricted Share Units then held by the Participant.

#### **4.7 Acceleration of Vesting**

Notwithstanding sections 4.5 and 4.6 of the Plan, in the event of the death of a Participant, Shares represented by RSUs held by the Participant, calculated on a *pro-rata* basis as to the number of days passed under the vesting restrictions, shall then be immediately issued by the Corporation to the legal representative of the Participant.

#### **4.8 Payment of Dividends**

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on its Shares, a Participant may be credited with additional Restricted Share Units. The number of such additional RSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the RSUs (including RSUs in which the Restricted Period has expired but the Shares have not been issued due to a Deferred Payment Date) in the Participant's account on the dividend record date had been outstanding Shares (and the Participant held no other Shares) by (b) the Fair Market Value of the Shares on the date on which such dividends were paid.

## **PART 5 DEFERRED SHARE UNITS**

### **5.1 Deferred Share Unit Grants**

The Board may from time to time determine to grant Deferred Share Units to one or more Directors in a lump sum amount or on regular intervals, based on such formulas or criteria as the Board may from time to time determine. DSUs will be credited to the Director's account when designated by the Board. For purposes of calculating the number of DSUs to be granted, the Corporation shall be obligated to value the Shares underlying such Deferred Share Units at not less than the Fair Market Value. In no event will a DSU vest or be redeemable or contemplate a Separation Date of less than 12 months from the date of grant. The grant of a DSU to, and acceptance of the DSU by, an Employee, Management Company Employee or Consultant will be confirmation by the Corporation and the Participant that the Participant is a bona fide Employee, Management Company Employee or Consultant (as the case may be).

### **5.2 DSU Agreement**

Each grant of a DSU under the Plan shall be evidenced by a DSU Agreement. Such DSU Agreement shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with the Plan and which the Board deems appropriate for inclusion in a DSU Agreement. The provisions of each DSU Agreement issued under the Plan need not be identical.

### **5.3 Redemption of Deferred Share Units and Issuance of Deferred Shares**

The DSUs held by each Director who is not a U.S. Taxpayer shall be redeemed automatically and with no further action by the Director on the 20<sup>th</sup> business day following the Separation Date for that Director. For U.S. Taxpayers,

DSUs held by a Director who is a Specified Employee will be automatically redeemed with no further action by the Director on the date that is six months following the Separation Date for the Director, or if earlier, upon such Director's death. Upon redemption, the former Director shall be entitled to receive and the Corporation shall issue, the number of Shares issued from treasury equal to the number of DSUs in the Director's account, subject to any applicable deductions and withholdings. In the event a Separation Date, including by death of the Director, occurs during a year and Deferred Share Units have been granted to such Director for that entire year, the Director will only be entitled to a pro-rated Deferred Share Unit Payment in respect of such Deferred Share Units based on the number of days that he or she was a Director in such year. Notwithstanding the foregoing, no Shares may be issued on redemption of DSUs before the first anniversary of the date of grant of the DSUs except in the event of the death of the Director.

No amount will be paid to, or in respect of, a Director under the Plan or pursuant to any other arrangement, and no other additional DSUs will be granted to compensate for a downward fluctuation in the value of the Shares of the Corporation nor will any other benefit be conferred upon, or in respect of, a Director for such purpose.

#### **5.4 Payment of Dividends**

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on its Shares, a Director may be credited with additional Deferred Share Units. The number of such additional Deferred Share Units, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Director if the Deferred Share Units in the Director's account on the dividend record date had been outstanding Shares (and the Director held no other Shares), by (b) the Fair Market Value of the Shares on the date on which such dividends were paid.

### **PART 6 PERFORMANCE SHARE UNITS**

#### **6.1 Performance Share Units**

The Board may from time to time determine to grant Performance Share Units to one or more Participants with the specific terms and conditions thereof to be as provided in the Plan and in the PSU Agreement entered into in respect of such grant. The PSU Agreement in respect of the PSUs granted will set out, at a minimum, the number of PSUs granted, the Performance Period, the performance-based criteria and any Multiplier(s). Subject to the provisions of this Part 6, each PSU awarded to a Participant for services performed during the year in which the PSU is granted shall entitle the Participant to receive payment in an amount equal to the Fair Market Value on the day immediately prior to the last day of the applicable Performance Period multiplied by the applicable Multiplier(s), to be determined on the last day of the Performance Period. In no event will a PSU vest or be redeemable or contemplate a Separation Date of less than 12 months from the date of grant. The grant of a PSU to, and acceptance of the PSU by, an Employee, Management Company Employee or Consultant will be confirmation by the Corporation and the Participant that the Participant is a bona fide Employee, Management Company Employee or Consultant (as the case may be).

#### **6.2 Distributions**

The Board, in its sole discretion, may determine that if and when distributions are paid on any Shares, additional PSUs shall be credited to the Participant as of such distribution payment date. The number of additional PSUs (including fractional PSUs) to be credited to the Participant shall be determined by dividing the dollar amount of the distribution payable in respect of the Shares underlying the Performance Share Units by the Fair Market Value on the date the distribution is paid. Fractional PSUs to two decimal places shall be credited to the Participant. For greater certainty, the Performance Period and Multiplier(s), if any, shall be the same as the Performance Period and Multiplier(s), if any, for the Performance Share Units.

#### **6.3 Performance Period**

Subject to sections 6.5 and 6.6 of the Plan, which could result in shortening any such period, the Performance Period in respect of a particular award shall be at least one year from the date of grant of the applicable Performance Share Unit, provided that the Board may, in its sole discretion, determine the Performance Period to be greater than one year, to a maximum of three years from the date of grant of the applicable Performance Share Unit.

#### **6.4 Performance-Based Criteria and Multipliers**

The Board may establish performance-based criteria which, if met by the Corporation, will entitle the Participant to be paid an amount in excess of or less than the Fair Market Value of one Share for each PSU at the end of the

applicable Performance Period. The Board, in its sole discretion, may waive the performance-based criteria if the Board determines there were material unusual circumstances that occurred during the Performance Period (as an example only, if take-over speculation significantly affects the Fair Market Value at the end of the Performance Period).

#### **6.5 Retirement or Termination During Performance Period**

If a Participant ceases to be an Employee or Director, as applicable, during the Performance Period because of Retirement or Termination of the Participant, all PSUs previously awarded to the Participant shall be forfeited and cease to be credited to the Participant on the date of the Retirement or Termination, as the case may be; however, the Board shall have the absolute discretion to modify the grant of the PSUs to provide that the Performance Period would end at the end of the calendar quarter immediately before the date of the Retirement or Termination, as the case may be, provided that such accelerated date may not be less than one year after the date of grant of the PSU, and the amount payable to the Participant shall be calculated as of such date.

#### **6.6 Death or Disability**

In the event of the death of a Participant during the Performance Period, the Performance Period shall be deemed to end at the end of the calendar quarter immediately before the date of death of the Participant and the amount payable to the Participant's executors shall be calculated as of such date.

#### **6.7 Payment to Participants**

Subject to the terms of the Plan, the Board, in its sole discretion, may pay earned PSUs in the form of cash or in Shares issued from treasury (or in a combination thereof) equal to the value of the PSUs at the end of the applicable Performance Period. The determination of the Board with respect to the form of payout of such PSUs shall be set out in the Performance Share Unit Agreement for the grant of the PSU or reserved for later determination. In no event will delivery of such Shares or payment of any cash amounts be made later than 10 weeks after the end of the year in which such conditions or restrictions were satisfied or lapsed.

#### **6.8 Payment of Dividends**

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on the Shares, a Participant may be credited with additional PSUs. The number of such additional PSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the PSUs in his or her account on the dividend record date had been outstanding Shares (and the Participant held no other Shares), by (b) the Fair Market Value of the Shares on the date on which such dividends were paid.

## **PART 7 STOCK APPRECIATION RIGHTS**

#### **7.1 Grant of SARs**

The Corporation may from time to time grant Stock Appreciation Rights to Participants pursuant to the Plan whereby Participants will have the right to receive Shares, a cash payment, or any combination thereof, from the Corporation in an amount equal to the number of SARs granted multiplied by the difference between the Fair Market Value of a Share at the Exercise Date (as defined below) over the Base Price fixed by the Board (the "**Exercise Value**"). The grant of a SAR to, and acceptance of the SAR Option by, an Employee, Management Company Employee or Consultant will be confirmation by the Corporation and the Participant that the Participant is a bona fide Employee, Management Company Employee or Consultant (as the case may be).

#### **7.2 Base Price**

The Base Price per Share of any SAR shall be not less than the Fair Market Value at the time of grant.

#### **7.3 Grant of SARs**

The Board may at any time authorize the granting of SARs to such Participants as it may select for the number of Shares that it shall designate, subject to the provisions of the Plan. The date of grant of a SAR shall be the date such grant was approved by the Board.

Each SAR granted to a Participant shall be evidenced by a Stock Appreciation Right Agreement with terms and conditions consistent with the Plan and as approved by the Board and which incorporates by reference the terms of the Plan (and in all cases which terms and conditions need not be the same in each case, and may be changed from time to time subject to any required approval of Disinterested Shareholders and the Exchange).

#### 7.4 Terms of SARs

The term of each SAR shall be for such term as the Board may determine at the date of grant, provided that:

- (a) SARs can be exercisable for a maximum of 10 years from the date of grant; and
- (b) the term may thereafter be reduced with respect to any such SAR as provided for herein regarding termination of employment / engagement or death of the Participant.

#### 7.5 Vesting

SARs shall vest and may be exercised (in each case to the nearest full Share) during the term in the manner determined by the Board at the time of grant, provided that the minimum vesting period shall be 12 months.

#### 7.6 Other Restrictions

Except as provided in section 7.9 of the Plan, no SAR may be exercised unless the Participant is at the time of such exercise:

- (a) in the case of an Employee or Officer, engaged or in the employ (or retained as a Service Provider) of the Corporation or a Designated Affiliate and shall have been continuously so engaged, employed or retained since the grant of the SAR; or
- (b) in the case of a Director, a director of the Corporation or a Designated Affiliate and shall have been such a Director, Officer, Employee or Consultant continuously since the grant of the SAR.

#### 7.7 Exercise of SARs

Subject to any limitations or conditions imposed upon a Participant pursuant to a Stock Appreciation Rights Agreement or the Plan, a Participant may exercise an SAR, prior to the expiry date thereof, by giving written notice thereof to the Corporation at its principal place of business specifying the number of vested SARs being exercised and the date on which such exercise is to be effective (the “**Exercise Date**”). As soon as practicable after exercise of a SAR in accordance herewith, the Corporation shall pay the Participant an amount equal to the product of (i) the number of vested SARs exercised, multiplied by (ii) the Exercise Value. Such payment will be made, in the Board’s discretion, in (a) cash, (b) Shares with a Fair Market Value equal to the amount of the payment, or (c) a combination of cash and Shares.

#### 7.8 Transferability of SARs

SARs granted hereby shall not be transferable other than upon the death or disablement of the Participant as follows:

- (a) During the Participant’s lifetime, all SARs shall be exercisable only by the Participant or by the legal guardian of a disabled Participant.
- (b) A Participant shall have the right, by notice to the Corporation, to designate a beneficiary who shall be entitled to exercise the Participant’s SARs (subject to their terms and conditions) following the Participant’s death, and to whom any amounts payable following the Participant’s death shall be paid.

#### 7.9 Effect of Termination of Employment or Death

If the holder of a SAR:

- (a) dies while employed or engaged by, or while a Director of, the Corporation or a Designated Affiliate, any SAR held by him or her at the date of death which is then eligible to be exercised shall become exercisable in whole or in part, but only by the person or persons designated under section 7.8(b) above, or to whom the Participant’s rights under the SAR shall pass by the Participant’s will or applicable laws of descent and distribution. Unless otherwise determined by the Board, all such SARs shall be exercisable only to the extent that the Participant was entitled to exercise the SARs at the date of his or her death and only for 12 months after the date of death or prior to the expiration of the term in respect thereof, whichever is sooner;
- (b) ceases to be employed or engaged by, or a Director of, the Corporation or a Designated Affiliate, for cause,

no SAR held by such Participant will, unless otherwise determined by the Board, be exercisable following the date on which such Participant ceases to be so engaged; or

- (c) ceases to be employed or engaged by, or a Director of, the Corporation or a Designated Affiliate, for any reason other than cause then, unless otherwise determined by the Board, any SAR held by such Participant which was then eligible to be exercised at the effective date thereof shall become exercisable for a period of up to 90 days thereafter or prior to the expiration of the term in respect thereof, whichever is sooner.

#### **7.10 Effect of Amalgamation or Merger**

If the Corporation amalgamates or otherwise completes a plan of arrangement or merges with or into another corporation, any payment receivable on the exercise of an SAR shall be adjusted to give the Participant the ability to receive the same which the Participant would have received upon completion of such amalgamation, arrangement or merger using as the Fair Market Value of a Share the amount equal to the deemed price under such amalgamation, arrangement or merger.

#### **7.11 Amendments**

Disinterested Shareholder approval must be obtained for any reduction in the Base Price of a SAR, or the extension of the term of a SAR, if the Participant is an Insider of the Corporation at the time of the proposed amendment.

### **PART 8 STOCK PURCHASE RIGHTS**

#### **8.1 Types of Stock Purchase Rights**

The Corporation may, subject to the prior receipt of Exchange acceptance pursuant to section 6.5 of Exchange Policy 4.4, give assistance to a Participant to enable the Participant to acquire Shares by way of (i) financial guarantee for a loan, (ii) third party security for a loan, (iii) a gift or loan from the Corporation, (iv) offering Shares at a discount to Fair Market Value, (v) issuing additional Shares upon the Participant subscribing for a pre-established number of Shares, which Shares may be issued from the treasury or purchased on the secondary market, or (iv) any other act which facilitates the purchase by a Participant of Shares. Purchases of Shares on the secondary market are subject to compliance with section 4.14 of Exchange Policy 4.4, including the requirement for such purchases to be made by a trustee.

#### **8.2 Limitations**

The Corporation shall not provide Stock Purchase Rights that could materially prejudice the interests of the Corporation or its shareholders, or if the assistance would affect the Corporation's ability to pay its creditors.

#### **8.3 Grant of Rights**

The Board may at any time authorize the granting of Stock Purchase Rights to such Participants as it may select for the dollar amount or number of Shares that it shall designate, subject to the provisions of the Plan. The date of grant of a SAR shall be the date such grant was approved by the Board.

Each Stock Purchase Right granted to a Participant shall be evidenced by an agreement of applicable nature with terms and conditions consistent with the Plan and as approved by the Board and which incorporates by reference the terms of the Plan (and in all cases which terms and conditions need not be the same in each case, and may be changed from time to time subject to any required approval of Disinterested Shareholders and the Exchange).

### **PART 9 WITHHOLDING TAXES**

#### **9.1 Withholding Taxes**

Subject to Exchange Policy 4.4, the Corporation or any Designated Affiliate may take such steps as are considered necessary or appropriate for the withholding of any taxes or other amounts which the Corporation or any

Designated Affiliate is required by any law or regulation of any governmental authority whatsoever to withhold in connection with any Award including, without limiting the generality of the foregoing, the withholding of all or any portion of any payment or the withholding of the issue of any Shares to be issued under the Plan, until such time as the Participant has paid the Corporation or any Designated Affiliate for any amount which the Corporation or Designated Affiliate is required to withhold by law with respect to such taxes or other amounts. Without limitation to the foregoing, the Board may adopt administrative rules under the Plan, which provide for the automatic sale of Shares (or a portion thereof) in the market upon the issuance of such Shares under the Plan on behalf of the Participant to satisfy withholding obligations under an Award.

## **PART 10 CHANGE OF CONTROL**

### **10.1 Change of Control.**

Unless otherwise determined by the Board, or unless otherwise provided in a Participant's Service Agreement or Award Agreement, if a Change of Control shall conclusively be deemed to be imminent, or to have occurred, then the Board shall have the discretion, without the prior approval of the Participants but subject to any required approval of the Exchange, to any one or more of the following:

- (a) determine that there shall be immediate full vesting of each outstanding Award granted, subject to, which may be exercised and settled, in whole or in part, even if such Award is not otherwise exercisable or vested by its terms;
- (b) terminate without any payment or consideration, any Awards not exercised, settled or surrendered by the effective time of the Change of Control;
- (c) cause the Corporation to offer to acquire from each Award holder his or her Awards for a cash payment, and any Awards not so acquired, surrendered or exercised by the effective time of the Change of Control will be deemed to have expired;
- (d) cause an Option granted under the Plan to be exchanged for an option to acquire for the same exercise price, the number and type of securities as would be distributed to the Option holder in respect of the Shares to be issued to the Option holder had he or she exercised the Option prior to the effective time of the Change of Control, provided that any such replacement option must provide that it survives for a period of not less than one year from the effective time of the Change of Control regardless of the continuing directorship, officership or employment of the holder;
- (e) permit each Participant, within a specified period of time prior to the completion of the Change in Control as determined by the Board, to exercise all of the Participant's outstanding Options and to settle all of the Participant's outstanding PSUs, RSUs and DSUs (to the extent then vested and exercisable, including by reason of acceleration by the Board pursuant to section 10.1(f) of the Plan or in accordance with the Award Agreement) but subject to and conditional upon the completion of the Change in Control;
- (f) accelerate the dates upon which any or all outstanding Awards shall vest and be exercisable or settled, without regard to whether such Awards have otherwise vested in accordance with their terms, subject to the limitation under section 11.6 below (in accordance with section 4.4(c) of Exchange Policy 4.4) and provided that no acceleration of the vesting provisions of Stock Options granted to Investor Relations Service Providers is permitted without prior Exchange acceptance; or
- (g) make no change to any of the terms or provisions of any Award.

### **10.2 Awards Need Not be Treated Identically.**

In taking any of the actions contemplated by this Part 8, the Board shall not be obligated to treat all Awards held by any Participant, or all Awards in general, identically.

## PART 11 GENERAL TERMS

### 11.1 Number of Shares

The aggregate number of Shares that may be issued under the Plan shall not exceed 10% of the number of Issued Shares outstanding in the capital of the Corporation from time to time as of the date of each grant, such Shares to be allocated among Awards and Participants in amounts and at such times as may be determined by the Board from time to time.

### 11.2 NEX Corporation

In the event the Corporation is listed on or is on notice to have its listing transferred to the NEX branch of the Exchange, then it will be precluded from granting any Awards under the Plan other than Stock Options (and may only grant Stock Options once it has publicly disclosed that it is on notice to have its listing transferred to the NEX).

### 11.3 Limits for Individuals

Unless the Corporation has obtained the requisite disinterested Shareholder approval pursuant to section 5.3, the maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued under the Plan in any 12-month period to any one Person (including any companies that are wholly owned by that Person) must not exceed 5% of the Issued Shares of the Corporation, calculated as at the date any Security Based Compensation is granted or issued to the Person.

### 11.4 Limits for Insiders

The maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders (as a group) must not exceed 10% of the Issued Shares at any point in time unless the Corporation has obtained the regulatory approval required pursuant to section 12.2(a) of the Plan and the Disinterested Shareholder Approval required pursuant to section 12.2(b) of the Plan.

The maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12-month period to Insiders (as a group) must not exceed 10% of the Issued Shares, calculated as at the date any Security Based Compensation is granted or issued to any Insider unless the Corporation has obtained the requisite Disinterested Shareholder Approval pursuant to section 12.2(b) of the Plan.

### 11.5 Limits for Consultants

The maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12-month period to any one Consultant under the Plan must not exceed 2% of the Issued Shares, calculated as at the date any Security Based Compensation is granted or issued to the Consultant.

### 11.6 Limits for Investor Relations Service Providers

Investor Relations Service Providers may only be granted Stock Options (and no other forms of Security Based Compensation) under the Plan.

The maximum aggregate number of Shares that are issuable pursuant to all Stock Options granted in any 12-month period to all Investor Relations Service Providers in aggregate must not exceed 2% of the Issued Shares, calculated as at the date any Stock Option is granted to any such Investor Relations Service Provider.

Stock Options granted to any Investor Relations Service Provider must vest in stages over a period of not less than 12 months, such that not more than 25% vest any sooner than three months after the date of grant, and not more than 25% vest any sooner than every three months thereafter.

The Board (or any committee thereof) must, through the establishment of appropriate procedures, monitor the trading in the securities of the Corporation by all Investor Relations Service Providers. These procedures may include the establishment of a designated brokerage account through which the Participant conducts all trades in the securities of the Corporation or a requirement for such Participants to file reports of their trades with the Board on a timely basis.

### **11.7 Limits for Charitable Organizations**

The only Security Based Compensation that may be granted or issued to a Charitable Organization is Charitable Stock Options. The maximum aggregate number of Shares that are issuable pursuant to all outstanding Charitable Stock Options must not exceed 1% of the Issued Shares, calculated as at the date each Charitable Stock Option is granted to a Charitable Organization. A Charitable Stock Option must expire on or before the earlier of: (i) the date that is 10 years from the date of grant of the Charitable Stock Option; and (ii) the 90<sup>th</sup> day following the date that the holder of the Charitable Stock Option ceases to be a Charitable Organization.

### **11.8 Limitation on Rights as a Shareholder**

No Security Based Compensation entitles the holder thereof to any Shareholder rights (including without limitation voting rights, dividend entitlement or rights on liquidation) until such time as the underlying Shares are issued to such Participant. Subject to sections 4.8, 5.4 and 6.8, no adjustment shall be made for dividends or other Shareholder rights for which the record date is prior to the date such underlying Shares have been issued.

### **11.9 Lapsed Awards**

If Awards are surrendered, terminated or expire without being exercised in whole or in part, new Awards may be granted covering the Shares not issued under such lapsed Awards, subject to any restrictions that may be imposed by the Exchange.

### **11.10 Payment in Cash**

The Corporation may settle any Award by making payment in cash if it does not have a sufficient number of Shares available under the Plan to satisfy its obligations under a Multiplier or any other provision. The Shares issuable to satisfy the Multiplier obligation will be included in the limits set out in sections 11.1, 11.3, 11.4, 11.5 and 11.6 of the Plan. The Corporation may settle the Multiplier obligation by making payment in cash if the Corporation does not have a sufficient number of Shares available under the Plan to satisfy any such obligation due to grant or issuance limitations in the Plan.

### **11.11 Adjustment in Shares Subject to the Plan**

If there is a declaration of stock dividend of Shares or any change in the Shares through, without limitation, (i) any consolidation, subdivision or reclassification or recapitalization of Shares, or (ii) adjustments related to an amalgamation, merger, arrangement, reorganization or spin-off, the number of Shares available under the Plan, the Shares subject to any Award, and the exercise price of any Option shall be adjusted as determined to be appropriate by the Board, and such adjustment shall be effective and binding for all purposes of the Plan, subject to the prior acceptance of the Exchange, if required.

### **11.12 Transferability**

Awards are non-assignable or non-transferable except as specifically provided in the Plan.

### **11.13 Employment**

Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continuance of employment with the Corporation or any Affiliate, or interfere in any way with the right of the Corporation or any Affiliate to terminate the Participant's employment at any time. Participation in the Plan by a Participant is voluntary.

### **11.14 Record Keeping**

The Corporation shall maintain a register in which shall be recorded:

- (a) the name and address of each Participant;
- (b) the number of Awards granted to each Participant and relevant details regarding such Awards; and
- (c) such other information as the Board may determine.

### **11.15 Resale Restrictions**

If required by Applicable Laws, any Award will be subject to a hold period expiring on the date that is four months and a day after the Date of Grant, and the confirmations, agreements or certificates representing such Awards and

any Shares issued prior to the expiry of such hold period will bear the following legends in substantially the following forms:

“Unless permitted under securities legislation, the holder of the securities represented hereby must not trade the securities before *[insert the date that is four months and one day after the date of grant]*.”

“Without prior written approval of TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until *[insert the date that is four months and one day after the date of grant]*.”

#### **11.17 Section 409A of the Code**

It is intended that any payments under the Plan to U.S. Taxpayers shall be exempt from or comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes and penalties under Section 409A of the Code.

#### **11.18 Compliance with Applicable Law, etc.**

#### **11.19 Cash Settlement of Additional Security Based Compensation in Lieu of Dividends**

Notwithstanding any other provision in the Plan, the Corporation may settle any grant of additional security based compensation in lieu of dividends by making payment in cash if the Corporation does not have a sufficient number of Shares available under the Plan to satisfy any such grant of additional security based compensation in lieu of such dividends in Shares or where the issuance of Shares would result in the Corporation breaching a limit on grants or issuances contained in the Plan.

#### **11.20 Term of the Plan**

The Plan shall remain in effect until it is terminated by the Board.

## **PART 12**

### **ADMINISTRATION AND AMENDMENT OF THE PLAN**

#### **12.1 Administration by the Board**

- (a) Unless otherwise determined by the Board, the Plan shall be administered by the Board or a Board committee designated by the Board.
- (b) The Board (or committee thereof, as applicable) shall have the power, where consistent with the general purpose and intent of the Plan and subject to the specific provisions of the Plan, to:
  - (i) adopt and amend rules and regulations relating to the administration of the Plan and make all other determinations necessary or desirable for the administration of the Plan. The interpretation and construction of the provisions of the Plan and related agreements by the Board (or committee thereof, as applicable) shall be final and conclusive. The Board (or committee thereof, as applicable) may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any related agreement in the manner and to the extent it shall deem expedient to carry the Plan into effect and it shall be the sole and final judge of such expediency;
  - (ii) determine and designate from time to time the individuals to whom Awards shall be made, the amounts of the Awards and the other terms and conditions of the Awards;
  - (iii) correct any defect, supply any information, or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of

- the Plan;
- (iv) delegate any of its responsibilities or powers under the Plan to a Board committee; and
- (v) otherwise exercise the powers under the Plan as set out herein.

## 12.2 Regulatory and Shareholder Approvals

- (a) In administering the Plan, the Administrator will obtain any regulatory approvals which may be required pursuant to Exchange Policies; and the Plan is subject to such approvals.
- (b) Subject to section 12.6 of the Plan, any material amendment to the Plan, including any increase in the number of Awards which may be granted under the Plan, must receive Disinterested Shareholder Approval.

## 12.3 Use of Administrative Agent

The Board (or committee thereof, as applicable) may in its sole discretion appoint from time to time one or more entities to act as administrative agent to administer Awards granted under the Plan and to act as trustee to hold and administer the Plan and the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board (or committee thereof, as applicable) in its sole discretion.

## 12.4 Limitation of Liability and Indemnification.

No member of the Board or a committee of the Board will be liable for any action or determination taken or made in good faith with respect to the Plan or any Awards granted thereunder and each such member shall be entitled to indemnification by the Corporation with respect to any such action or determination in the manner provided for by the Board or a committee of the Board.

## 12.5 Amendments to Plan

Subject to sections 12.2 and 12.6 of the Plan, the Board shall have the power, at any time and from time to time, either prospectively or retrospectively, to amend, suspend or terminate the Plan or any Award granted under the Plan without shareholder approval, regarding (i) amendments to fix typographical errors; and (ii) amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions; provided however that:

- (a) any amendment, suspension or termination is in accordance with applicable laws and Exchange Policies; and
- (b) no amendment to the Plan or to an Award granted hereunder will have the effect of impairing, derogating from or otherwise adversely affecting the terms of an Award which is outstanding at the time of such amendment without the written consent of the holder of such Award.

If the Plan is terminated, the provisions of the Plan and any administrative guidelines and other rules and regulations adopted by the Board and in force on the date of termination will continue in effect as long as any Award or any rights pursuant thereto remain outstanding and, notwithstanding the termination of the Plan, the Board shall remain able to make such amendments to the Plan or the Award as they would have been entitled to make if the Plan were still in effect.

## 12.6 Shareholder Approval

Any amendment to the Plan is subject to Shareholder approval as a condition to Exchange acceptance of the amendment. For clarity, certain amendments to the provisions of the Plan may be subject only to approval by a majority of Shareholders instead of Disinterested Shareholder approval, pursuant to Exchange Policies and, if applicable, subject to Exchange approval.
